

Convention Report for 2021

Young Ambassador of the 21st Century – Lion Yorky Tuke. Disappointingly the Clubs in the District only managed to find one Young Ambassador Candidate this year. Jersey Lions once again submitted an outstanding young man by the name of Kenan Bryan. He acquitted himself very well at the MD Finals which were held over a series of Zoom Meetings. It is intended to establish a working group to find a way to encourage more clubs to become involved in this most worthy competition. We must recognise and encourage these fantastic young people. Don't forget, this is the start of their future. And the continuation of the future of Lions Clubs.

Young Leaders in Service - Lion Yorky Tuke. The Young Leaders in Service project is making steady progress in District 105 SC. Due to Covid restrictions very few service activities have been possible this last year. Some flexibility in the time allowed to complete the Certificate targets. If clubs have Young Leaders who have been working towards a Certificate threshold, please contact the District Young Leaders in Service Officer for advice. Please also be aware that the age range for service has been extended to include young people from 8 to 18 years of age. A simplified version of the forms can be downloaded from the District Young Leaders in Service website. These are the forms that must be used and when completed should be sent to the District Young Leaders in Service Officer. These changes are designed to streamline the admin work of clubs and district officers.
